---	---

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Davis Taxi Service, LLC (Davis Taxi, the Applicant, or the Company), whereby the Applicant seeks approval of amendments to Commission Order No. 2007-691 dated October 9, 2007, and an extension of time to comply with the Commission's directives in that Order, which gave the Applicant sixty days to comply with certain Rules and Regulations of the Commission.

By Order No. 2007-691, the Commission approved the application of Davis Taxi for a Class C Certificate of Public Convenience and Necessity, and Davis Taxi was granted authority to furnish passenger service between points and places in Dillon County, South Carolina, with a five (5) passenger restriction. By correspondence filed November 28, 2007, Davis Taxi requests an amendment in the scope of operating authority to statewide operation, and also requests an increase in the passenger restriction from five (5) to six (6) passengers. Additionally, Davis Taxi requests an extension of

forty-five (45) days in order to come into compliance with the Rules and Regulations of the Commission as set forth in Order No. 2007-691.

By the same Order, Davis Taxi's authority to operate under a Class C Certificate of Public Convenience and Necessity was granted conditionally, with a requirement that Davis Taxi file with the Office of Regulatory Staff (ORS) proof of appropriate insurance, that the Company pay license fees, and that the Company file other information required by law within sixty (60) days of the date of Order No. 2007-691, or within such additional time as may be authorized by the Commission.

Based upon a consideration of the present requests and all matters relative thereto, the Commission is of the opinion, and so finds, that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought by Davis Taxi Service, LLC in the request for modification of Commission Order No. 2007-691 by changing the scope of operating authority from between points and places in Dillon County, South Carolina to between points and places in South Carolina be, and hereby is, approved.
2. That the relief sought by Davis Taxi Service, LLC in the request for modification of Commission Order No. 2007-691 by changing the passenger restriction from five (5) passengers to six (6) passengers be, and hereby is, approved.
3. That said approvals are for a change in the scope of authority and a change in the passenger restriction authorized by Order No. 2007-691 but do not otherwise authorize any change in the operation of the regulated services.

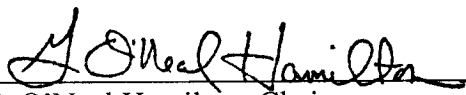

4. A Class C Certificate of Public Convenience and Necessity shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

5. That prior to compliance with statutory and regulatory requirements and the receipt of such Certificate, the modified motor carrier services authorized by this Order may not be provided under the amendments approved herein.

6. That the request by Davis Taxi Service, LLC for an extension of time in which to comply with the directives in Order 2007-691, and Davis Taxi Service, LLC is hereby granted an extension of **forty-five (45) days** or until **January 24, 2008**, to come into compliance with the Commission's directives in Order No. 2007-691, dated October 9, 2007.
